"Hukmuka" A Syracuse paper has classified a new type of disagreeable people whom it calls "linkmake" It asy that they belittle the efforts of the generous and public spirited by their contankerous criticisms. They had fault where no fault exists. They suspect worthy people of ulterior motives, of esoteric purposes when their liberality exceeds that by which they themselves have been able to gain a little praise. They are, in some to-stances, lead around by the nose by brainier men, who use them as tongs to pull chestnuts out of the fire. They do more to embarans; pro rees and the development of a progressive spirit than a swarm of seventeen-vess le-
